

# NO JIVE<sup>®</sup>

## PRODUCTIONS, INC.

No Jive Productions, Inc seeking a **Website Designer**. Our production company needs a professional Web Designer with experience in WordPress content management systems to take over the graphic and user interface design of our website. We're looking for a candidate who has created and maintained functional, attractive websites for companies with 10+ employees. We want to talk to you if your portfolio includes clean, modern, responsive websites with excellent navigational structures and detailed linking. If you stay current with the latest in web design and development trends, you'd be a great fit for this position.

### **Job Description:**

### **Skills Requirements**

- Website Design and Maintenance
- Adobe Photoshop, Illustrator (or some other design software knowledge)
- HTML5
- CSS3
- JavaScript
- jQuery
- Responsive Design
- Cross-Browser Design
- PayPal "Buy Now" buttons
- Ability to add video clips to the website
- Remove any "dead" links immediately and respond to issues with site functionality
- Implement and maintain high-quality SEO policies and incorporate them with content produced for the website
- Create PSDs for visual layout of web pages and convert each design into HTML and CSS
- Create mock-ups for proposed project pages and update them as needed

**Position Type:** Freelance

**Estimated Salary:** Open

**Travel:** NO

**Under Contract:** Yes

**Send Resume to:** No Jive Productions Inc
